

16 days to go

A year ago planning started on an event to mark the closure of the Sons of Gwalia Mine in 1963. Now there is only 16 days left.

This edition of the Gwalia Newsletter is dedicated to the upcoming event on 28 & 29 September 2013. You will find the program and information to help you plan your visit.

This event was initiated and is organised by the Gwalia Reference Group. Tralee Cable, a GRG member, is the driving force behind organising the event with the other members each making a valuable contribution.

We hope that this event would provide the opportunity to meet with old friends and talk about the days Gwalia was a thriving community and the Sons of Gwalia the employer of 250 men. Also to hear what our future plans are for Gwalia.

Inside this issue:

- 1 50th anniversary of closure of the Sons of Gwalia Mine
- 2 Program
- 3 Travel & Accommodation
Dinner Dance
Show and tell
- 4 Market Stalls
